

Happy New Year

Happy New Year to you and your family! As the new year begins, we want to take a moment to reflect on the past year and be thankful for the support of our **sponsors and members**. We wouldn't be here without you.

We strive to provide our community with quality classes, art, and fun and are excited to continue to serve our community in the New Year.

CHEERS!

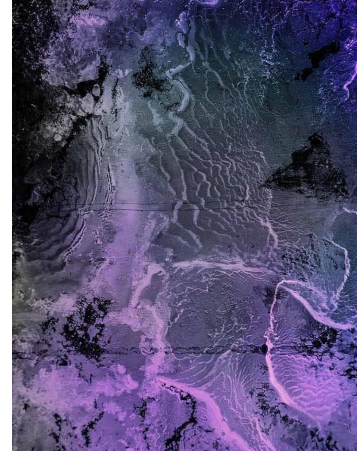

JANUARY classes start soon!

We have **POTTERY** starting Jan 14th. Taught by *Angelika Bonder*, learn how to make pottery using only your hands with various building techniques. No experience needed. Perfect for beginners, but still advanced enough for those who have worked with clay. Three classes include materials, firing and glazing.

We have **ZEN PAINTING** starting Jan 15th! Taught by *Faye Wallace*, This class will start with a warm up exercise to bring your creative thoughts and energy together encouraging your hidden skills to blossom. All levels and all mediums are welcome.

You may start a new painting project or bring the one you have been working on. Supplies are available and provided if you are a beginner or simply have forgotten to bring them.

We also have **OIL & WATERCOLOR PAINTING** starting Jan 15th! Taught by *Frank Carstarphen*, learn how to paint with oil using still life to help you depict what the eye actually sees. A wonderful class and a popular one! A series of classes includes initial supplies. Frank will provide
